

Rosalie Hatfield Crowned Homecoming Queen; Sigma Float Wins First in Parade

ROSALIE HATFIELD
"Rosie, you are my pole!" was the theme song of the Phi Sigma No Fraternity when it succeeded in electing Rosalie Hatfield as Homecoming queen. Carolyn Doolittle, Sigma queen, rode the Sigma float (left) to first place in the parade. She was seated within a crown of purple and gold which proclaimed a royal welcome to returning alumni.

To the surprise of everyone but the Phi Sig, Rosalie spent the "O" club appointment by riding out Wilma Reeves by 200 votes. The fraternity boys were determined to win, and so did over 2,000 of their own members in and around Miami. This, in addition to the vote of 1,000 Phi Sig members, enabled the Phi Sig to put their candidate on the throne.

MIAMI GIRL
Rosalie, a graduate of Miami high school, is a freshman and plans to major in speech. She is a member of the Phi Sigma No Fraternity and also sings in the chorus. When asked how she felt about being queen, Rosalie replied, "Because of the fun, I was listening to the game on the radio. When I heard them announce the results, I was happy, surprised, and excited, all at once. Her majesty was crowned at the Homecoming dance, at the first convocation exercises were canceled because of the rain. Rosalie was escorted by Ted Sisson, vice-president of the student council, and was presented a bouquet of roses by Bill McLaughry, secretary of the council, who was escorted by Earl Goebel, Bob Van Lier, student council president, and Rosalie had received the traditional W. O.

KINGS GALORE
The past week quickly revealed to additional kings from Secretary and Treasurer, who didn't want to be left out of the act. Roy Stone, business manager for the Phi Sig, was crowned, and presented a bouquet of roses by Earl Goebel, Bob Van Lier, student council president, and Rosalie had received the traditional W. O.

BULLETIN

Word was received here today that a Class '47 affiliate of the National Council of Teachers of English has been recognized. Officers of the organization include Ray Vandenberg, Northwestern A & M college, secretary-treasurer. Other members of the local affiliate include who are members of the NCTE and the recently organized affiliate are Margaret Stanley and Mrs. Rita H. Brown.

Turkey Day Or Thanksgiving for Americans

BY GLORIA WALKER
What does Thanksgiving mean to you? Is it just a day for a big dinner, maybe a football game, and a holiday from school? It should be a day to celebrate the blessings of our lives and our lives. It is the time to "enter into His plan with thanksgiving and let His courts with praise."
It has been said that of all the holidays observed in this country there is none so distinctly American as Thanksgiving. It should be a day to celebrate the blessings of our lives and our lives. It is the time to "enter into His plan with thanksgiving and let His courts with praise."
President Lincoln appointed a day of thanksgiving in 1863, and since then the presidents have issued a "Thanking pro-

Dr. Bennett Addresses Teachers

Dr. Henry G. Bennett, Oklahoma A & M college president who addressed Ottawa county teachers here Tuesday, is the dean of the state's largest group of college graduates in point of years of service. Beginning his 21st year at A & M, Dr. Bennett, Dr. Bennett recently was elected a director of the Central Board of Cooperative Education ever named to this high office.
SUPERINTENDENT
As an Oklahoma school superintendent and county school superintendent, Dr. Bennett learned of the problems of classroom teaching and rural teachers in the state. As an educator serving as a president of a teacher's college, he learned firsthand some of the problems faced by public school teachers who wanted to be public school teachers. Bennett recently returned from an eight-week tour of duty in the occupied zone of western Europe.

"The neighborhoods of the world are no longer remote," he said. "The world is now a village." "The problems of nations are no longer the problems of the nations." "Education, even at the level of the immediate neighborhood, is now a challenge to us to meet the long program of rebuilding foreign countries from the ruins that were once the centers of culture. Levels of society in the more advanced nations have been so thoroughly disrupted that (Continued on Page Two)

Four-Lane Highway Is Discussed

A proposed four-lane highway from the Northwest Oklahoma highway to the northeast Oklahoma highway will be discussed by Magnolia leaders, Oklahoma Highway Construction officials and county engineers here Thursday night.

Charles Wilson's Art Students Travel To Tulsa and View Noted Artists' Work

By PAULA HOBBS
The art club of Northwestern A & M college, under the direction of Charles Wilson, traveled to Tulsa, Okla., to view the work of noted artists. The art club of Northwestern A & M college, under the direction of Charles Wilson, traveled to Tulsa, Okla., to view the work of noted artists.

John Elliott Will Lead Annual Lucky Seven Band Clinics

The band director for the Lucky Seven band, John Elliott, will lead annual band clinics for the band members. The band director for the Lucky Seven band, John Elliott, will lead annual band clinics for the band members.

Cartier Announces Student Holiday

Northwestern A & M college students will have a student holiday on Monday, Nov. 21, in honor of the college's 10th anniversary. The college president, J. E. Cartier, announced the student holiday on Monday, Nov. 21, in honor of the college's 10th anniversary.

BAND PARADE

A parade of the marching band will be held in the afternoon of the week. The parade of the marching band will be held in the afternoon of the week.

Speech and Music Departments Give Exchange Program

A program of exchange between the speech and music departments will be held. A program of exchange between the speech and music departments will be held.

Alumni News From Here And There

BY M. J. SPEER
When Thanksgiving is over for another year, and the graduates are settled back to their jobs or studies, it was a great day for those of us here, and we hope you are all well. We enjoyed the activities as well. We did not have the time for the opportunity to visit with everyone personally, but we did manage to have most of our registration, so we hope that all of our former students are well.
J. E. and Dottie Hall, ex both look over and from their studies at a University of Tulsa to come back to Tulsa to visit South Okla.
Paul Jagers is working with the state Department of Agriculture, making his headquarters in Stillwater. He is living here with Catherine Martin, Ed, and Mrs. Martin, at 5211 S. Apartment B. Jordan Street, Stillwater.
Safely some registration should be given to George F. Windham, '51, who lists his address as La Paz, Bolivia, South America. He has been working down there for several years and is home on a vacation at this time.
Bob Hendrix, '41, is working as a geologist with the Oklahoma Geological Survey in Tulsa.

Why did Freshman Week fail so miserably? It is generally agreed that it was a failure. The only noticeable effect that it had was that most of the freshmen girls lacked lipstick—but many of them still wore it and not over three or four boys were seen with their hair parted in the center.

Why Don'tcha Do Right?

Are the college students illiterate in the ethics of common courtesy, or are they just ignorant of others and quite openly rude?

Why don't you have general discussions on our campus? It is not a stimulating interest and give the student incentive to study since he likes to enter the discussion as well as the next person.

Freedom For All?

"Don't give them freedom, they don't know how to use it!" That statement sounds a little radical to have been uttered by an American who should value freedom as his most treasured possession.

Alumni News Here, There

Department of Health in Oklahoma City. He received his degree from the University of Oklahoma and now makes his home at 1108 North Main, Oklahoma City.

Count Your Blessings

Right on the heels of the football season and nine-weeks' grades come a certain holiday called Thanksgiving.

Fresh Week Falls

Wayne Mason
Phon in AP Poll
Wagon Pulls Another One Out of Hat
Wood An Exhibition in 'O' Club Exhibition

Oklahoma's repeated success in the AP poll was the result of a steady hand on the part of the Associated Press poll of top football teams.

By virtue of their convincing victory over Missouri the Sooners moved from third to second, just behind the Aggies, who were edged out by Penn. Glad to see Oklahoma get up there where they belong.

Should they be moved up another notch? That is a question a great many people are asking and one that will probably go unanswered. OU has a great team and belongs in second place. Notre Dame also has a great team and they are in first place. The question who do the voting are supposed to know, but in many fan minds, the only way to settle the issue is for a game between the Irish and the Sooners. We wish... Ah, no idle dreaming.

Tulsa and Oklahoma A & M both produced victories over the previous weekend and give the Big Three an all victorious Saturday.

The Golden Hurricane of Tulsa pulled another big upset again, downing San Francisco 18 to 6. Fans and all interested parties are convinced that Tulsa's comeback is complete and that their record for the year is simple proof. The record is most outstanding when one game last season except for a tie with Wichita. A fitting claim for the Hurricane would be a Turkey-day win over hard-hitting Arkansas.

The beating sponsored by the "O" club was billed as an exhibition, and because what an exhibition, those slugs take on. Never have I seen a crowd more pleased or enthusiastic at a similar event.

Irvin Kahn has a decision to Gene Crusan but if it is revealed that this was Kahn's first fight the fans would know the great potential to be found in this heavyweight.

Another big act a close decision, but I am sure he will do enough to suggest in the future. Keep your eye on John France.

Shown above are the coaches who have led the Norsemen to the State Junior College championship for the past two years and a share in the '41 crown. The Norse also hold victories in two post-season bowl games. From left to right, T. coach Jean Fronterhouse, head coach S. A. (Red) Robertson, and line coach Carl Rigby.

Rain Fails To Slow Norsemen As They Splash To Easy Win Over Visitors, 34-7

Fights, Fun And Free Throws Due For College Fans

The athletic spirit of the Northeastern A & M students reached an all time high as the students celebrated the winning of the 1940 state junior college championship.

Along with this, the students are anticipating top notch basketball and boxing teams. Coach S. A. (Red) Robertson will be able to field five basketballs this year at around the 6-foot mark.

Boxing will start off the season at an all-union college tournament here, to include all Oklahoma junior colleges and Fort Scott, Kans. It will be an eight-team tournament patterned after the "big" all-college meet held in Oklahoma City.

The basketball tournament is scheduled for Dec. 9, 10 and 11. In boxing, Coach Hines Thomas will have 10 fighters working out.

The Viking slugs will participate in several team matches and three tournaments.

To round out the college athletic program for students not participating in varsity sports intramural director Carl C. Rigby reports facilities are underway. A boxing league was started last Monday. Plans are being made for a basketball league to be formed in the near future.

Norse Trip
Mavericks,
Score 25-6

Northeastern A & M's Vikings launched the Northern Mavericks farther down the solar steps Nov. 4, defeating them 25 to 6 at Topeka.

Coach Robertson's single wing and T coach Fronterhouse's T boys split the night's scoring, getting two six-pointers apiece.

In the first quarter T quarterback Christie Byrd went over from one yard out on a quarter-

Gene Crusan—T Guard and Extra Point Kicker

back sneak after a nine yard end sweep by fullback David Nippy had played the ball on the one.

The single wing generated two touchdowns in the third frame. Bert Lewis and Donald Edzie did the honors in a 61-yard drive with Lewis going over from the two.

In the last stanza the T squad, with Nippy and Don Spryres alternating in carrying the ball, sustained a 60-yard sustained drive when Spryres broke over tackle for 12 yards and a score.

The Mavericks' only score came in the second frame with Van Ostad going over from the three-point line.

Once again line coach Rigby's fullback played a role of a man, plowing the Mavericks to net points scoring.

The first time they had the ball Murray gambled on fourth down but failed to make the two feet needed for a first and ten. Northeastern took over on the Murray 23 and six plays later Bert Lewis blasted over from the one. Gene Crusan kicked the point.

Using a brutal yard-eating ground attack, the single wing marched 80 yards for their second score. Lewis again did the honors, going over from three yards out. Crusan again added the point.

Midway in the second frame, the T team entered the game for the first time in the very first play they ran a long aerial from quarterback Sherman Wilton to fullback Don Spryres setting 41 yards and a score. Crusan's kick was wide.

In the third period it was the T's turn to march. They capped an 80-yard sustained drive when David Nippy went wide around left end for eight yards and a score. Nippy had set up the touchdown with a sparkling 52-

Last Game For Football
Scoreboard
Is Erected

Northeastern A & M college has long needed a football scoreboard. Now it has one.

It's been erected on College field, and friends of the program may see it for the first time any night when the title-bound Norsemen battle the Murray Aggies.

Miami's progressive Jaycees, aided by Coach Red Robertson, were sponsors of the scoreboard project. Valued upwards from \$1,500 to \$1,800, including installation, the equipment was purchased from O.K.I. A & M's A. M. College, Stillwater, Sam Hamilton, Jaycee president, styled.

Standing at the south end of the stadium, the scoreboard's game time remaining on T centered clock. The new quarter, and down-to-go is indicated. John Fruman designed and lettering.

Other Jaycee members of the scoreboard committee include: Ernest Baratz, Golder Housley, Bill Jones, Bill Blackwell, Jack Dixon and Matt Kreeger. Other faculty members who worked on the project were Ted Wible and Merrill Chaney.

Advertising by four Miami businessmen kept out the cost of the project.

Last Game
