**WE NEED YOU!**  
For several weeks generally discussed topic has been what can do on the campus during the week-end. Apparently the consensus of opinion is that the Student Council is to blame for NEO students not having anything to do.

**LIVING BRINGS HAPPINESS**  
How many times have you heard the statement, "I'm not giving her anything for Christmas because she didn't give me anything last year." Maybe you yourself have said it. But think—is that the true spirit of Christmas?

**DON'T BLOW UP—GROW UP**  
"I made me mad that I just blew up!" How many times have you heard that statement? Probably you have said it too, more times than you can count. Have you ever thought how utterly useless a thing is after it blows up?

One would think that so many things to which the Christmas season is devoted would be enough to make the holiday a joy to all. But, unfortunately, for many people, the season is a time of stress and strain. The reason for this is that the holiday season is a time when many people are under a great deal of pressure. This pressure is caused by the fact that many people are under a great deal of pressure to be perfect. They want to be perfect in their appearance, in their behavior, and in their gifts. This pressure is what makes the holiday season so stressful for many people.

The way to a man's heart is through his stomach, it is an old saying that may be true but it is also true that a man's heart is also won by a woman's smile. This is the message of the Red and Yellow Yuletide Scenery which is being shown at the Oklahoma Hospital.

The scenery is being shown in the dining hall of the hospital. It is a beautiful display of red and yellow decorations. The decorations are made of paper and are very attractive. They are being shown to the students of the hospital and to the general public.

### Howdie, Lukes...

"Howdie, Lukes..." This time the column is dedicated to all the "lilly-billies" on the campus. I guess by about time a body took up for the minority group. Elvin Presley is still the same rag with "Heart-tellers. All his records in one folio of hits (7), "Break-break Hotel," "Blue-Suede Shoes," and "Don't Be Cruel," are quite popular.

"I Walk the Line" staggered by Johnny Cash is a great favorite.

# Boxing Club Matches at Civic Center; Miami Team Inexperienced

## Myrl Dobbs Lone Norsemen Winner

By DWIGHT TAYLOR  
Tulsa's Boxing Club, having considerable more experience and in better physical shape, captured the match except one Saturday night, Dec. 15 at the Miami Civic Center. The Tulsa Club, coached by Donnie Wall and Gary Warr, sported a group of fighters in excellent physical shape and a squad of top novice boxers in the northeast area.

The lone Northeastern winner was Myrl Dobbs, fast, hard-hitting 150 pounder. Dobbs all but knocked out his opponent in the three rounds.

Other Miami and Northeastern fighters were very impressive, however, and with the correct physical training, along with enough sparring experience, could reveal tough time of it in the Golden Gloves Tournament.

Such boys as Don Litter, Lee...  
The Miami Boxing Club will be coached and trained by Bob Martin, starting early in January, Martin, you will remember, was the strong Tulsa boy. They did, however, carry the fight to their opponents before they simply ran out of gas.

## Norsemen Trim Warriors, 63-45; Fourth Victory Of The Season

Northeastern AAM forward Jerry Carlton, playing his finest football game to date, sparked the Golden Norsemen to an easy 63-45 victory over Bacone's Warriors of Muskogee. The win was the first conference game of the season for the Norse, and the third straight loss for the Warriors.

Carlton made four quick fields goals in the starting moments of play and added five free shots in the second half for a total of 12 points. Bob Maxwell, another fine Norse forward, added 12 points to his own in the Norsemen victory.

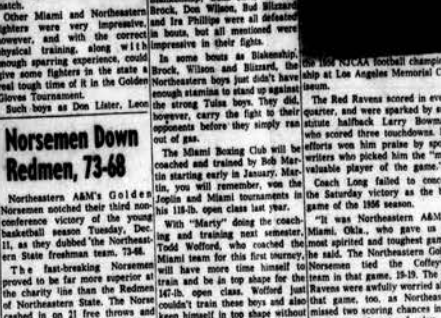

The Golden Norse sported a fine zone defense around the "key" area, and Bacone couldn't find the range from the outside as the Warriors hit only 12 of 61 field goal attempts. NEO hit a respectable 20 of 54 fender attempts.

Northeastern will journey to Coffeyville Tuesday, the 18th, to encounter the Red Ravens in a non-conference game. The Ravens contest will be the final Norsemen game before the Christmas holidays.

Following the Christmas vacation the first scheduled game will be with Eastern, here, on January 20. The girls will meet Grove, here, on February 12. Eastern, here, on February 12. Eastern, here, on February 12.
