

The President's Box ... Mullendore Urges Ags To Frontier

THE *Norse Wind* editor has asked me to write a short column for each issue of this publication. I shall be glad to comply with his request. It will give me a good opportunity to discuss with students anything that I may have of interest on my mind.

Let me say in this first issue that we want NEO A & M to be a "service institution." As faculty members we sincerely desire to be of every possible assistance to each and every one of our students. One time is your time. Our education, our training, our experience through the years are entirely yours to command and utilize.

Are you planning on attending college next year? Are you having difficulties making good grades? Are you having financial troubles? Do you know how to study? You will find sympathetic guidance among our faculty members. Make an appointment with any teacher if you feel we can be of assistance to you in your long-range planning program.

As foundation you build now while you are a student determines the kind of a super-structure that you can in the years ahead. The important time in your life is the twenty-five years in the future. Where will you be and what will you be doing then? You write your own record. May it be one of which you will be proud.

—Bruce G. Carter.

Mullendore Urges Ags To Frontier

C. H. Mullendore, president of the First National Bank in Miami, addressed the Aggie organization Monday Feb. 8.

Mullendore emphasized that agriculture today is "big business." "The geographic frontier is gone but the scientific frontier has barely been scratched," Mullendore said.

He said that scientific methods would dominate the next century and that "farmers would replace beans." "Agriculture will be an important factor in the next political campaign."

Recently elected officers took over. They are: Emmett Harp, president; Robert McAffery, vice-president; Homer Patton, secretary-treasurer; Alfred Wenden, reporter; Don De Lozier, song leader; Ed Travis and Clifton Wilkins, student council representatives; Wayne Halvorsen, sergeant-at-arms. Plans for "Aggie Day" which will be held April 2, have been agreed.

Plans for "Aggie Day" which will be held April 2, have been agreed.

Semester Is Marked by Changes

Mrs. Donna Bling... Planning her work.

3 Profs Added To Personnel; Enrolment Up

Northeastern A & M's mounting enrolment for the second semester has passed the 600 mark. Dr. Bruce G. Carter, president, has announced.

Students from nearly to far away as Turkey are continuing to enroll causing the registrar's office to hold final figures until a later date.

In addition to the many new students enrolling for the first time at NEO, there have been many new faculty members have arrived on the campus.

Able To Go To Meet In March

Joe W. Ables, head of the industrial education division at Northeastern A&M college, will be a guest speaker at the annual national meeting of the American Association of Junior Colleges held Feb. 19-20 in St. Louis.

The subject to be discussed by his panel group will be "An Analysis of Technical Engineering Curricula in Junior Colleges Including Student Screening."

The general topic for the national conference is "Status of Pre-Professional and Technical Training in the Junior College."

Ables, head of technical training here, is also an instructor in refrigeration and air conditioning.

Joe W. Ables, head of the industrial education division at Northeastern A&M college, will be a guest speaker at the annual national meeting of the American Association of Junior Colleges held Feb. 19-20 in St. Louis.

Mrs. Shipley Said To Be Improved

Melvin A. Shipley, chief clerk at St. Anthony's Hospital in Oklahoma City, is reported as progressing satisfactorily and is expected to return to his home in the near future where he will continue his duties before returning to the campus.

Mrs. Shipley will assume his duties as chief clerk at St. Anthony's Hospital in Oklahoma City, is reported as progressing satisfactorily and is expected to return to his home in the near future where he will continue his duties before returning to the campus.

Aggies Cop Dairy Trophy At Ft. Worth

The livestock judging team won the dairy cattle judging trophy in the general livestock contest for Junior A & M and Teachers Colleges at the Southwestern Pasture Show at Ft. Worth, Tex., Feb. 1.

The team members were Jerry Owen, Miami; Alfred Wenden, Adair; Clifton Wilkins, Howe; Charles Anderson, Vista.

The team scored 616 points for top honors in dairy cattle judging. Jerry Owen and Alfred Wenden were first and second high judges respectively in dairy cattle judging.

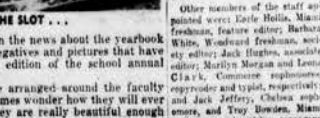

The livestock judging team won the dairy cattle judging trophy in the general livestock contest for Junior A & M and Teachers Colleges at the Southwestern Pasture Show at Ft. Worth, Tex., Feb. 1.

Nicodemus And Green Edit Wind

Warren Nicodemus, Chickasha sophomore, has been named editor of the *Norse Wind*, bi-weekly newspaper at Northeastern A&M college.

A major in journalism, Nicodemus was promoted from sports editor a position he held the first semester. His promotion was announced this week by the board of publications, Jack Hughes, Staff Springs sophomore, was editor the first semester.

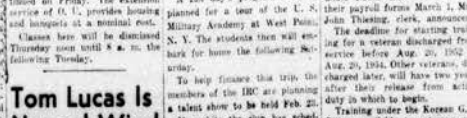

Warren Nicodemus, Chickasha sophomore, has been named editor of the Norse Wind, bi-weekly newspaper at Northeastern A&M college.

College Profs To Send Group To New York April 19

The International Relations Club met Wednesday, Feb. 10 to discuss plans to send representatives to the seventh annual IRC conference to be held at Hunter College in New York City, April 19-20.

Letters have been sent to the other colleges of Oklahoma who have IRC chapters in an effort to charter a bus to take the trip to New York.

The International Relations Club met Wednesday, Feb. 10 to discuss plans to send representatives to the seventh annual IRC conference to be held at Hunter College in New York City, April 19-20.

Publicity Office Announces New Press Release Methods

Northeastern A & M college has launched its new publicity offensive for 1954—the goal—20,000 readers in the district and nationwide — a new release to keep a college in the news.

First on the agenda will be the training of 20 young men and women on the local campus. They will learn how to begin a press story, and write consistently for publication.

Other methods in the campaign will be to send out 15 press releases weekly to 15 newspapers in the state and district, and carry on a daily newspaper over the local radio station KGLC.

In order to accomplish the objectives, more readers about Northeastern A & M, and therefore more customers, all faculty members and students will be encouraged to contribute regularly.

Once the facts hit the news files, they will be carefully considered in news form by a staff of journalists. Students under the supervision of the Journalism faculty.

Authorities Address Dairy Clinic

Oklahoma county dairy clinic was held at Northeastern A & M college Tuesday according to Harry Spear, agricultural leader.

The clinic began at 10 o'clock a. m. with Charles Moore, of the student council, giving the opening address to the Dairy Clinic.

At 10:30 a. m. Lloyd Stillwell, Extension Dairy Specialist, Stillwater, spoke about "Ways to Produce Milk Cheaper." He gave a plan to cut costs in the business.

Another Extension Dairy Specialist, Stillwater, Cliff Burton, brought the first speech in the afternoon, "Dairy Management."

Tom Lucas Is Named Wind Sports Editor

Tom Lucas, Adair, transfer student from Texas Tech has been appointed sports editor of the *Norse Wind* according to Jack Jeffrey, sports editor.

Lucas worked at quarterback for the Northeastern football squad and saw considerable action in the Junior Bowl game.

His English Gamma society and the Los Diablos Blues fraternity now have plans underway for a notable comedy entitled "Professor How Good You?"

The cast under the direction of Mrs. Don B. Dyer and Joyce Jeffrey is headed by Jack Jeffrey, who is a college professor who has lured many women and whose title is "Professor How Good You?"

Foreign Students

Miss Donna Bling, Sedgwick, Kan., has her feet on the ground regarding Mrs. Louise Grier as counselor in the women's dormitory and physical education instructor. She was graduated from Oklahoma Baptist University where she majored in physical education.

Miss Patricia Morsani, director of education at Methodist church here, will be the teacher of a course added to the curriculum this semester. The course, "The Life of Christ," is being taught to the campus. Miss Morsani was graduate from Tulsa University with a B.A. degree and received her M.A. from Northeastern University, Excelsior, Ill., in religion. She has traveled in Europe, working with youth in Rome in connection with the World Council of Churches.

Air Science Instructor

Major Nolan E. Burch has come to the college through the Air Force rotation plan as air science instructor.

Major Burch has been in military service for 15 years. He received his wings from Ft. Seward, N. M. in 1943 and went on a tour of combat with the Eighth Air Force in England in 1944. He was then pilot of a B-17.

Vets Must Sign Payroll Forms

Veterans who enrolled for the first time in the second semester under Public Law 502 will sign their payroll forms March 1, Mrs. John Thiesing, clerk, announced.

The deadline for signing their forms is April 15, 1954. Veterans who have served at least 90 days total service, or less discharged because of a service-connected disability.

Cather Leads Veterans Club

Bob Cather, Miami freshman, was elected president of the Veterans Club, Feb. 8.

Other officers for the present semester elected were: Glen Hubbard, vice-president; Leonard Moore, secretary; student council representatives.

Cather Leads Veterans Club

Plans for a stag party were discussed with another meeting scheduled pertaining to the event.

Membership cards will be distributed for a cost of one dollar per member. A membership card will be required for participation in social sponsored by and for members of the organization. Cards may be acquired from the club or forwarded to all veterans are urged to attend future meetings.

Fire Destroys Grass Acreage

LAM Saturday at Northeastern A&M College farm a grass fire burned off two square acres of grassland.

The fire was first noticed about 8:30 a. m. and required the help of several students assisting with a few trees from nearby forest to bring it under control.

It is believed that the fire was started by a cigarette thrown from a passing auto.

MRS. MABEL SPEAKER'S child care class is observing the reaction of a 10-week-old baby to a two-year-old child. Shown in the picture from left to right, seated, are: Mrs. Speaker, Kathy Harris, Wilma Jones, Martin Brecht (son of Mr. and Mrs. Walter Brecht), and Mary Moser. Standing: Betty Clayman, Mary Dickson, Nondora Harris, Violet Burton, Virginia Malsey, Mary Ann Pooler, and Pat Baker.

GROUPED IN FACULTY LOUNGE, the interior decorating class is looking over some new ideas. They made the curtains hanging in the background and also arranged the furniture in the lounge. Those pictured were: seated, left to right, Violet Burton, Mrs. Speaker, Richard Strimling, Vivian Taylor, Nondora Harris, Virginia Malsey, and Larry Worthington. Standing: Jack Jeffrey, Shirley Mounsbury, Marilyn Carlin, and Berle Lee Howard.

Agnew-Lawrence Nuptial Vows Read

Mr. and Mrs. Dennis Earl Agnew, 123 F street northwest, are announcing the marriage of their daughter, Miss Cloeta Joyce Agnew, to John Henry Lawrence, son of Mrs. Minnie Lawrence of 530 E street northeast. The wedding was an event of 3 p. m. Sunday, Jan. 24, in the First Baptist church, Miami, with the Rev. Lewis E. Maples officiating. Mrs. Glenn Gosby played traditional wedding music and accompanied Ann Wood, soloist, who sang "Because," "Always" and "The Lord's Prayer."

Ross-Hale Engagement

Mr. and Mrs. Henry J. Hale, 612 E street southeast, are announcing the engagement of their daughter, Marjorie Ann, to Tony W. Ross, son of Mrs. H. E. Ross and the late Mr. Ross of Dunbar, Okla. Marjorie Ann is a student at Bethany-Peal college at Bethany, Okla., and is majoring in education. She graduated from Miami high school last autumn. Tony W. Ross is a student at the U. S. Army, serving in Korea. The wedding will be a spring event.

Librarian Sets Study Hours

New library hours have been announced by Miss Laura Cutlin, librarian. They are from 9 a. m. to 5 p. m., Monday to Friday, including the noon hour. Monday, Tuesday and Thursday nights from 7 to 9, and Saturday morning from 8 to 12. The additional hours have been added by request of the student body.

Cook-Woolman Engagement Told

Mr. and Mrs. H. M. Cook, Vita, are announcing the engagement of their daughter, Miss Betty Cook, to Dennis Woolman, son of Mr. and Mrs. A. L. Woolson, also of Vita. Woolman is a sophomore at Northeastern A & M college. The wedding will be an event of Feb. 19 in the First Baptist church in Vita.

Sigma Expect Worthy Matron

The Sigma Iota Chi sorority has announced the arrival in the near future of their Grand Worthy Matron, Mrs. Anthony E. Bell. A tea or luncheon will be given for Mrs. Bell, who last year was chosen "Mother of the Year" in the United States.

Janberries, Anyone?

At the University of Alberta, five red-tipped chickens have been stolen from the university's janitor's laboratory. They kept it for human consumption, unless they have a Geiger counter, the thieves will never know. Male oaks remain in the month of rivers near the sea, but females often travel to the headwaters of streams, sometimes even making overland journeys, returning to the river-mouth at breeding season and thence to the Saragoso Sea. Fisheries estimate that when a hen which does not produce eggs is being fished, it requires the production of two other hens to pay for her loss.

College Cooking

February is a month for colorful desserts. Here is one that is as colorful as it is delicious. It is also easy to make and inexpensive. Just right for the young college home-maker. **STRAWBERRY-HONEY BAVARIAN**
1 package strawberry flavored gelatin
1 cup undiluted evaporated milk
Juice of 1 lemon and grated rind
1/4 cup honey
15 strawberries, sliced
12-ounce package frozen strawberries
Dissolve gelatin in 1 cup hot water. Chill until partially set. Pour milk into refrigerator tray, and freeze until nearly firm. Turn out on platter, and whip until stiff. Add lemon juice and rind, and honey. Beat until well blended. Fold in gelatin, chill until set. Just before serving, arrange 5 or 6 strawberries around edge of each sherbet glass. Spoon frozen strawberries into glasses, top with partially thawed frozen strawberries. Note may be added if desired. Makes 6 servings and costs around 70 cents. Try it. We hope you like it.

The Reel Dope

Producer Hal Wallis gives his boys, Jerry Lewis and Dean Martin, a \$2,000,000 production for their eighth time out. This includes the three-dimensional Technicolor process and a Hal Koster screenplay loosely based on a Damon Runyon story. The collaboration just before serving, arrange 5 or 6 strawberries around edge of each sherbet glass. Spoon frozen strawberries into glasses, top with partially thawed frozen strawberries. Note may be added if desired. Makes 6 servings and costs around 70 cents. Try it. We hope you like it.

MRS. SPEAKER SAYS

Homemaking for Men, Women Is Important
Mrs. Mabel Speaker, home economics instructor, is a firm believer in the fact that there are just as many advantages to boys in taking home ec as there are to girls. Proving her point, she gives examples of boys preparing for careers in different phases of home economics.

Gamma Girls Initiated Feb. 1

The Eta Upsilon Gamma sorority met Feb. 1 in the home of Mrs. H. H. Kasey, 212 J NW, for the initiation of the pledges. Those initiated were: Julie Brock, Pat Holloway, Marjorie Cooper, Mary Ruth Ross, Betty South, Sue Duggins, Eth Lawson, and Virginia Malsey.

Physical Education Plans Announced

Miss Donna King, new physical education instructor and director of New State has announced that the State Stars are working on a new motion to take to the Physical Education Conference at Pittsburgh in the near future. The girls' physical education classes which meet in the gymnasium a week have started playing basketball. Future plans for this class include archery, field hockey and tennis.

How's That?

Students of beginner psychology at San Diego State College (Calif.) were asked recently to write down what they considered to be their "most valuable asset." Two answered "intelligence"—and both succeeded.

Don't Take Chances!

The Fashion Formula

The big news this season seems to be articles that anyone of us can make. Fluffy collars evolved from five angles wool set off from a sweater. Even more as when decorated with ribbons and sequins. Leather collars with matching belts are very popular with a favorite variety of skirts. The girls getting hair, sequins and beads are also home-makers and seamstresses. They could very nicely be used along with the collars. Also with a favorite tailored dress. You might also try it with a strapless formal. The effect will be striking. I would suggest a velvet tie to match or contrast with the gown. Make the tie very short if it is to be worn in the winter. Never let the tie reach as far as the bodice of your dress. It is much more effective if tied on the side of the neck on a neat knot. This would be perfect for any party.

Farwell Addresses

"Magnificent" was the student address to the student body. "Magnificent" was getting ready to leave for California. He was known among the campus for his effective public talks and his speeches on government. He was from Utah. "Good your country which protects you from enemies" he addressed. His last message addresses in simple English his love for the NEO college. Good luck, Magni.

Big Demand for Home Ec

There is always a demand for home economics for girls but Mrs. Speaker hopes that more boys will soon realize the opportunities being offered in the various fields of home ec that can be of benefit to them.

Norse Lose To Tonkawa College 66-62

Northern junior college of Tonkawa favored the Northeastern A&M squad, 66-62, in a rough struggle for baskets here Thursday afternoon in College gym.

Northern forward Begg sent six field goals and 12 charity tosses whirling through the net as he outscored the visitors, 26-13, in that final period, but time vanished life with a bias of baskets in the last period.

Paired by Bob Buggs' eight points, the Norsemen pulled to outscore the visitors, 26-13, in that final period, but time vanished life with a bias of baskets in the last period.

Paired by Bob Buggs' eight points, the Norsemen pulled to outscore the visitors, 26-13, in that final period, but time vanished life with a bias of baskets in the last period.

ROTc Engineers Lead Intramurals With Two Victories

The intramural basketball program holds the spotlight in schedule of events being held in the Northeastern Gym as eight teams are battling for the championship.

Students who are not competing in varsity basketball are eligible to play. A player who participates for one organization is not eligible to play for a different organization during the season.

The strong ROTc unit led by Hughie Morris and the Engineers led by Buddy Wiley have battled to two wins and are now leading the pack.

The leading scorer up to now is Wiley who has connected for 47 points in two games. Morris is second with 20 in two games.

Schedule of games to be played is as follows:

Thurs., Feb. 11, ROTc vs. Aggies at 8:30 p. m. Eng. I vs. Press Club at 8:00 p. m. BSU vs. Eng. II at 6:30 p. m. Dorn vs. Bus. Club at 8:00 p. m.

Monday, Feb. 15, Press Club vs. BSU at 8:00 p. m. Eng. I vs. ROTc at 8:00 p. m. Aggies vs. Eng. II at 6:30 p. m.

Tuesday, Feb. 16, Dorn vs. BSU at 8:00 p. m. Eng. I vs. Aggies at 8:00 p. m. Press Club vs. ROTc at 8:00 p. m.

Wednesday, Feb. 17, Dorn vs. Eng. II at 6:30 p. m. vs. Business Club at 8:00 p. m.

Thursday, Feb. 18, Aggies vs. Bus. Club at 8:00 p. m.

Two games were postponed and are to be rescheduled at a later date.

They won the Dorn vs. the Aggies and the Dorn vs. the Press Club.

Beggs, Carpenter 1, 2 Individual Norse Scores

Bob Begg, Pryor, long shooting Norseman forward, had a slight edge in individual scoring among the Norse quintet with 159 points and an average of better than 18 points per game of the eight played to date.

Following closely is Bob Carpenter, Tulsa, Norseman guard with 157, "Cary" is the Norseman floor leader and playmaker with the same 15 point or better average of Begg.

Donnie Carpenter is third with 49 points tallied for the Norsemen followed by Don Starbuck, who has played in only three games with 38 points. An average of 12 per game.

Behind Starbuck com. Lonnie Graham and Jack Johnson with 28 and 25 respectively.

WE GAVE—Tom Dotson and Dwayne Sulzinger, two of the Golden Norsemen football team, were among the 54 students who gave a pint of blood in the second local blood drive. Although there were not many students who were able to give blood, several tried and were refused for various reasons.

The blood mobile unit was set up in the college student union. Many teachers co-operated by exciting students to participate in the drive.

Throughout the day Red Cross workers contacted students urging them to give blood.

GIVE A PINT OF BLOOD—During the latest blood drive the Norse Wind photographer captured these three donors eating refreshments. The blood mobile was on the campus for one day only, collecting a total of 54 pints of blood.

The Norse at the left is Mrs. Nellie Dinmore, 18 F street southwest. The student to her left is unidentified. To the right of Mrs. Dinmore is Freddie McCallin and James Winomath, both students.

Norsemen Go On Florida Trip

Three sophomores members of the Norsemen football squad traveled to Gainesville, Fla., the home of the University of Florida, Friday, Jan. 25, to confer with the coach of Florida's football team, Bob Woodruff.

The men, Lonnie (Lone Ranger) Graham, fullback, Walter Brecht, center, and Harold Cook, tackle, came away impressed, but still in doubt of "just where to go" upon completion of academic work at Northeastern A & M.

The University of Florida is a member of the Southeastern conference which boasts such teams as the University of Kentucky, Tennessee, Georgia Tech, the University of Georgia, Alabama, Vanderbilt, Alabama Poly. Technical University, and Mississippi State.

SNOWPIN—Little Roxy Khalil and mother Mitt enjoy winter's first real snow on the campus.

FOR more than thirty years we have used research day in and day out learning about tobaccos and cigarettes in the public's interest.

Continuously we and our consultants have analyzed, experimented with and smoked all kinds of tobaccos... especially Southern Bright, Burley, Maryland and Turkish cigarette tobaccos.

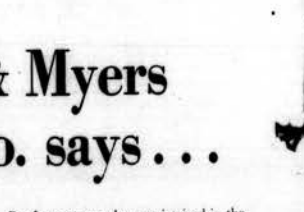

Our own cigarettes and competitive brands have been submitted to the most exacting scientific scrutiny including thousands of analyses of millions of pounds of tobaccos.

From all these thousands of analyses, and other findings reported in the leading technical journals, our Research Department has found no reason to believe that the isolation and elimination of any element native to cigarette tobaccos today would improve smoking.

Leaving Their First American Home

Mr. and Mrs. Said Khalil, and Roxy, left for Stillwater where he will attend Oklahoma A & M college. Said, Mitt, and Roxy, as they were known to all the students here at NEO, are from Iran and have been in the United States for two and one-half years.

Khalil is enrolling at the Stillwater college in the engineering field. Mrs. Khalil will not be attending classes because she will be spending her time with Roxy.
