Head Art Exhibits!

Did you realize that we have on the NEO campus an art department to be proud of? Not many students are aware that this department, which occupies part of the second floor of the new class room building, has as its head one of the foremost artists in the nation, Charles Nash Wilson, a nationally known painter, is instructor in art here at Northeastern. Mr. Wilson says, "Our art department is open at all times and every student on this campus as well as the people of Miami are welcome at anytime."

The schedule for the next few months is full of many interesting objects of art. In March, American paintings will be the main object of attraction. This will be followed in April by an exhibition of "Photographic Sculpture." May will be a big month with an exhibit of ancient Mexican Indian culture along with oil paintings from the Studio Guild in New York City.

More interest should be shown in our art department. It is here for us so why not make the most of it.

Who is Your Keeper?

"Do unto others as you would have them do unto you. This Biblical quotation should be observed every month and day of the year, but especially this following week."

As all colleges with the independence that comes with collegiate life, it is very easy to feel superior to others and "look down" on them—to speak.

Here is the month of February which is the birth month of Lincoln and Washington; we should recall Lincoln's immortal words: "All men are created equal."

On the campus of N.E.O. A&M we each have an excellent opportunity to learn and put into practice the Christian way of Brotherhood.

The faculty of N.E.O. is going to give the students an opportunity to learn more and become more aware that February 28-29 is National Brotherhood Week.

N.E.O.'s planning committee has gone to great lengths and difficulty to make us aware that we are "Our Brother's Keeper."

N.E.O. enrollment includes several races and religious denominations which make it possible for tolerance from everyone.

Brotherhood does not only apply to religion and creed, but to common everyday courtesies.

"The Friendly College is Always Front Door" is the motto of N.E.O. and every student and faculty member has the responsibility not to make this a motto, but a fact.

Nothing To Do

"We don't have a thing to do. The college offers nothing for us to do. We need some kind of entertainment." These are all typical expressions of the college students. They're all rapping for more to do. They'll stand around and beat their gums about the school and the lack of activities but they won't co-operate in anything. I heard many of the ones who are complaining have attended any of the mixer or ball games.

We have had several ball games here but no people. The boys shouldn't have to play for such a dinky crowd. Where's everyone? "Well, I wanted to come but I had to do so-and-so. I was just too busy." These are the old stand-by expressions. The best one is: "I don't want to go to the ball games, but I sure wish the school would have something for us to do."

There is a student council sponsored mixer in the gym almost every Wednesday night. This is something to do. It is absolutely pitiful to attend one of these dances. You'd think everyone had the measles and was forced to stay at home. These mixers are for your benefit. Why should NEO offer more entertainment when no one comes to the present ones? If you are one of the complainers, remember that it's nobody's fault but your own.

MISS PAT BARNES

'Wind' Adds First Female Sports Editor To Roster

Miss Pat Barnes has just been appointed Sports Editor for the *Norse Wind*, embracing the standing tradition of a long line of males. Pat is the first girl sports editor in the history of the paper, and has tackled her first "subject" with all the vigor any editor has shown yet.

Pat is a sophomore from Picher and majoring in business. She hasn't decided where she plans to attend school next year.

In addition to being a lady sports editor, Pat is also secretary of the Public Affairs office.

Pat, herself, keeps up with sports very closely as she has been a cheerleader for both her husband and sophomore years. She also is playing of daily organized girls basketball on the campus.

When her school entitled "Pat's Sports Editor" was named, she was surprised to be reflected in her own paper.

On being asked how she thinks of her new job, she smilingly replied, "I don't think it's a little unusual for a girl to be a sports editor but I'm going to do the best and with the help of everyone I think we can have a swell sports page."

In addition to the sports here, Pat will offer her views and ideas through her column entitled "Pat's Sports Editor."

When asked if she didn't think she would have some difficulty in handling printing press interviews she replied, "I don't think so."

Editor's Desk

By BARR HOLLIS

With the start of a new semester the new staff of the *Norse Wind* wants all the clubs, organizations, students and faculty to know that the purpose of the *Norse Wind* is to serve the entire college by printing the news and views of the campus. We hope that everyone will take advantage of the paper by helping the staff to print the news of their organizations and interests.

The *Norse Wind* has a fine record as you all know. Last year the "Wind" took first place of all junior-college newspapers in Oklahoma and was awarded a trophy by the Oklahoma Collegiate Press Association. This year we hope to maintain this honor but it can only be done with the co-operation of every student, organization and faculty member on the campus.

Any news or information that anyone has that is newsworthy will be only too happy to put it in the paper. Any such information can be placed in the *Norse Wind* box outside the registrar's office. The *Norse Wind* staff would like to take this opportunity to congratulate the newly elected officers of all the college clubs and organizations and at the same time point out to the club operators and public relations managers that they have a responsibility to turn in all club news and happenings for every edition of the "Wind."

Northwestern Oklahoma A and M has a wonderful and outstanding record as a junior college and is not in Oklahoma but in the nation. Let's all keep this record and even surpass it this coming semester. We, of the *Norse Wind*, will do our bit to keep NEO the best.

College Presents Program on TV At KOAM Station

On January 20 a group of Northwestern students traveled to Pittsburg, Kansas, to present a program on television. The theme of the program, which was presented at 10:30 p.m., was "The First Part of the Four Part Program was 'Music.' This section featured a concert solo by Jim Smith, freshman from Commerce. The second part had to do with woodworking and was centered around a book rack built by Boyd Pentecost. Charles Wilson was featured in the third section which came under the heading 'Art.' Mr. Wilson drew a sketch of his son, Jeff, for the television audience. The final part was 'Living' and featured news items by college home economics students by a style show.

Bill Powell announced the program which was directed by Miss Ruth Arrington, N.E.O. speech and dramatic instructor. College students participating in the program were: Dan Hinson, Larry Ferguson, Harley Hughes, Barbara Harris, Suzanne Thompson, Betty Berry, Wilson Hamilton, Edith Harris, Marilyn May, Virginia Maly, and Martha Ann Spencer.

Miss Arrington said the program was well presented and the main idea was put over very effectively. The program was designed to show that college students have the opportunity to do the things that they have wanted to do since they were children. A comparison was presented between the time when as a child he strives for acceptance something and the time when we have grown into adults and we are more modern and get things that we want as children.

Professor Searches For Speech Samples

C. K. Thomas, professor of speech at Cornell University in Ithaca, N.Y., is taking a long-term sampling of speech students in various sections of the University. His object is to get samples of speech that is in ordinary everyday use in different parts of the country.

He has asked us to make a recording of a manuscript that he supplies. He asks that we try to do the best and with the help of everyone I think we can have a swell sports page."

In addition to the sports here, Pat will offer her views and ideas through her column entitled "Pat's Sports Editor."

When asked if she didn't think she would have some difficulty in handling printing press interviews she replied, "I don't think so."

Vets Propose School Dance During Term

Plans for an all school dance and servicing of the Veterans Club, were tentatively scheduled for the first week in May and approved by the Veterans Club, were announced today by Edward Jackson, president of the Veterans Club.

Russell Lusk, the new Veterans' queen, will be presented here by last semester's queen, Pat Barnes, at this event.

In urging all veterans to join the club, Jackson stressed the fact that the Veterans Club is showing one of the fastest growing clubs on the campus. From an active membership of eight veterans in 1944 it grew to approximately 50; 60 active members as of today.

Three new officers will be elected at a special meeting held at the club. These officers will be: President, Edward Jackson; Vice-President, Donald Stevens; Secretary, Russel Lusk.

Pat Barnes, Vice-President and student council representative.

Also on the tentative schedule is a stag party for all members to be held on Grand Lake as soon as the weather permits. The stag party will be held at the Grand Lake and will be announced later in the *Norse Wind*.

Noted Authority Will Give Lecture Today

Dr. William J. Flied will appear in a special assembly today at ten o'clock in the college auditorium. Dr. Flied, noted author of the "dark continent," will present a lecture on the land of his nativity in background form so that his listeners may be able to interpret modern developments in the light of the past. This lecture will be called "Africa—Land of Destiny."

Dr. Flied's background is an interesting one. He was born in a concentration camp during the tragic days of the South African Boer War. At the end of hostilities his family returned to a devastated home. During the reconstruction period that followed he endured hunger, hardship, and danger beyond the strength of his years.

In 1927 he went to England to obtain his Ph.D. in psychology at the University of London where he was resident for ten years as a post-graduate lecturer at King's College, London, and was a consulting psychologist.

His first acquaintance with Africa was in 1941 when he came to study at the leading universities on a Rockefeller Foundation Fellowship. He is now a professor of psychology at Boston University.

This special assembly will present Dr. Flied as an authority on his native country, who will attempt to present his country to the audience so that they may know how it has developed from the time of his birth to the present time. All persons interested in hearing Dr. Flied's lecture are invited to attend.

PAINTING DURING A PRACTICE SESSION in the "Bentley Room" college dance band. The band was reorganized this semester. The members of the band are, from the left, Jerry Otto, trombone; Robert Fowler, Bass Viol; Robert Avton, saxophone; Jimmie Smith, trumpet; Dickie Root, drums; and Kevin Hughes, piano.

**Roberta Smith Weds**  
**per R. Watson Here**

Wedding vows for Miss Roberta Smith, daughter of Mr. and Mrs. Joe Hill, 432 D street northwest, and Kemper R. Watson were solemnized Sunday, Nov. 7, at 4:30 p. m. at the First Methodist church. The groom's parents are Mr. and Mrs. Ivan S. Watson, Chelsea. The Rev. Oscar L. Fontaine officiated at the double-ring ceremony. Pedestal baskets held arrangements of white chrysanthemums and gladioli with candelabra flanking each side of the altar table. Miss Beverly Hinton presented traditional virgin royal scepter and accompanied Mrs. Tom Fluke of Tulsa, who sang "Blessed" and "With These Hands," and "The Lord's Prayer." Given in marriage by her father, the bride wore a white tulle gown of nylon tulle over tulle. The fitted bodice of Chantilly lace over fallie featured a portrait neckline edged in lace. The skirt centered with soft pleats and long sleeves of lace ending in points over the hands. Attached to the waist was a lace pelisse gracefully drifting over the bodice. The bride's hair was styled in a soft wave down the back from the neck to the waistline and was repeated at the wrist. The fingertip veil of nylon tulle fell from a halo trimmed in seed pearls and sequins. The bride's only jewelry was a pair of tiny pearl earrings, and she carried a white ribbon topped with white gardenias.

Aspiring her sister as maid of honor, Miss Pat Smith wore a pastel yellow dress of nylon dotted fabric. Styled in princess lines, the dress had a full skirt and a collar and a floor bow of white material. She carried a colonial bouquet composed of a yellow chrysanthemum and surrounded by smaller white flowers. Mrs. Jerry Owen served as best man, and a bridesmaid was Miss Betty Mankin and Miss Marie Wills. Their dresses were of pastel colored nylon dotted fabric styled like that of the maid of honor, and their bouquets were identical to hers. Mrs. Robert C. Melton, Kansas City, Kan., granddaughter, wore an identical dress of pastel green. She wore a wrist corsage of small yellow roses.

Flower girls were Cynthia Laird and Cindy Moriotti, niece of the bride, from Clifton. Their dresses were of white nylon dotted fabric with a sequined neckline and full gathered skirt, with masses of coral velvet ribbon. All of the accessories were white fashioned like that of the bride and matching the color of the bride.

Serving as best man was Edward Wood. Ushers were Don DeLozier, Chelsea; Russell McClintock, Tulsa; and Paul Moriotti, brother-in-law of the groom from Chelsea. Roland Thompson, Baxter Springs, Kan., uncle of the bride, served as ring bearer.

Following the reception, the couple left for a short honeymoon in the Ozarks. For going away, the bride chose a dark brown knit suit with antimacassar accessories and a corsage of brown and yellow chrysanthemums. The groom returned to Fort Bragg, N. C., where he is stationed with the 82nd Airborne division. Mrs. Watson plans to join him after he completes post-graduate school.

Both Mr. and Mrs. Watson are former students at NEU.

**Platter Chatter**  
 By JEAN ANN KEITHLEY

Hi gang! Here we are once again with platter chatter and the tops in pops.

Holding down the number one spot for the second consecutive week is Johnny Maddox and his recording of "Crazy Otto". Mr. Maddox styled this arrangement after that of a German by the same name. Some of his other fast selling records are: "Glad Rags Doll" and "Happy Otto".

The McGuire Sisters' recording of "Sincerely" is still selling like wildfire but has slipped from first to second place in the top ten this week. These lovely young songbirds were discovered by Arthur Godfrey a short time ago and have been going great guns ever since.

The Fontaine Sisters, who have been making records for years, got their start like many other trios, but unlike most, had to record a top seller until their arrangement of "Hearts of Stone". With this recording they have climbed to the number 5 spot in the top ten.

Teresa Brewer, well-known in the recording world, has recorded another smash hit! It's her latest and is called, "I've Got a Go-Go My Baby". This cute novelty is holding down the number seven place in the top ten and is still climbing.

Another fast rising record is "Robbins". Several recording artists have recorded similar arrangements but the most popular is that of Perry Como. Another recording was made by Bill Hazzell and Betty Crocker. There seems to be a particular note as to which is pushing the record most.

The Ink Spots recording of "Misty of Chocoma", one of Wargo King's old recordings, with added recitation has come back to popularity in the past few weeks. The Four Aces have also come out with a vocal arrangement of this beautiful love song.

Newcomers in the recording world are the DeJarian Sisters. They were unheard of until they wrote and recorded their top selling record, "No More". This fast
