## Engineers Organize; Visit Dam

They students and mathematics major and science met in the Administration building last Thursday for the organization meeting of the Engineers Society. Dr. Wood and Ted Wicks, sponsors of the society, presided over the meeting. Mr. Wood welcomed the group and read the Constitution. He outlined briefly the activities of the Engineers.

Events planned for this school year include the annual St. Patrick's Day program, dates and banquet; the Engineers' picnic; and a steak fry, to take place in the near future. The organization will participate in homecoming activities, and intramural sports, and will present one assembly program during the year. Officers elected last term include Harry Conway, president; Bill Jones, treasurer; Ted Scouffon, secretary; Raymond McEluff, reporter; and Leslie Nelson, sergeant-at-arms. The first regular meeting was Tuesday evening at 7:30. Officers were elected to fill the vacancies of vice-president and chaplain, and plans were completed for the first field trip.

Wednesday afternoon members of the Engineers Society visited Poteau Dam. They were accompanied by Mrs. Neal and Mr. Wicks. The highlight of the trip was a look at the inside of one of the huge turbines, which was down for repairs. The group was allowed to go through the turbine.

There are several field trips scheduled for this semester. They will include a visit to the Eagle-Picker mine, the smelter at Galesburg, the B. F. Goodrich Company and a tour of several Miami industrial plants. All members are eligible to make these trips, and will be excused from classes, with the understanding that they make up class work missed. Math majors or minors and other students desiring to join the Engineers should contact an officer or sponsor immediately.

## Frontierhouse Rigney Rebuild T-Team

These moderate changes will give the T-Team a new look under their new coach, the Northwestern Oklahoma A. & M. Vikings are again showing for the top.

Since September 1, some fifty-five men have been working hard on building, building, painting and remodeling shops in preparation for the season. The T-Team is now ready to start the season. Head Coach E. Albert (Bud) Robertson said he will again use the two-team system.

Both from last year's powerful line are such stalwarts as Ted Rupp, guard; Weverka and defensive tackle Jack "Pappy" Hopkins, tackle and "Big" Bob Collins, tackle, Tulsa.

Indications are that Rupp will again be a big factor. Fighting for starting guard assignments along with Rupp are 80-pound Don Sheld from Tulsa and Nick Oetzel Wyandotte.

Hopkins and Collins are making things rough for tackle prospects. "Big" Bob and "Pappy", both defensive stalwarts, would make any coach swell with pride. Pushing the two line tackles are Howard Collins, Tulsa, "Cowboy" Dick Holland, a 200 pounder from Claremore and Jerry Siz, Ponca City. All good boys, these fellows will make the single wing line deep and strong at the tackle position.

With no returning letterman at the end slots there has been a mad scramble for this position. Homer Swafford, Tulsa, BH Campbell, Chandler and Marvin McCord, Hottelville, Ark. have been running for the left and right wing positions.

Wrestling for the right wing position are Jeff Nucklin, Wyandotte, Jack Strupp, Miami and James Butler, Neosho, Mo. Leading the backfield candidates is the hard running Bert Lewis, all conference fullback from Miami. Getting away on several long touchdowns jumps last year, Bert is also one of the finest defensive backfield men in the conference. It's a safe bet the fans and the opposing teams will have their eyes on Lewis.

Also returning from last year's squad are Miami's Gene Keith, blocking back, and C. E. Claiborne, Devey fullback, both of whom will see plenty of action. Transferred from last season's "T" backfield is Leo "Hot-Tee" King, Hottelville, left half. King's kicking ability has pulled the "Newcomer" out of some dismal coffin corners and his elo-

## Gym Classes Start Training

Physical education classes organized and are preparing to begin their different phases of sports training. The purpose of the classes is to develop your body physically. By means of exercises and sports activities, your body learns coordination.

Miss Helen Simmons heads the girls' physical education and Coach Robertson and Ray Vanderburg have charge of the boys' department.

The girls will play tennis as long as the weather permits. Some of the various other sports Miss Simmons plans for her classes later are badminton, bowling, archery, volleyball and dancing. They will also learn to march and have posture practices. Their instructor also mentions that perhaps roller skating may be added to the agenda.

In the tumbling class, which met at 8:00 o'clock on Monday, Wednesday and Friday, Mr. Vanderburg has seventeen boys enrolled. This course was taught last year for the first time. It was proved successful and was continued.

The boys have tumbling sets and how to build pyramids. Mr. Vanderburg expressed the hope that they would become good enough to put on an exhibition before the end of the semester.

Coach Robertson has divided his classes in two groups. One group will play tennis and the other one will play basketball. His classes meet at 8:00 o'clock and 11:00 o'clock three days a week.

## Frontierhouse Rigney Rebuild T-Team

In the camp of the Viking's "T" team we find Coach Jess Frontierhouse with a big rebuilding job on his hands. With eight returning lettermen but few regulars back, Frontierhouse and line coach Carl Rigney have virtually had to start from scratch.

Realizing the importance of strong guards to a "T" formation, Rigney has transferred veterans Gene Cramer, Tulsa and Jim Williams, Neosho, Mo., from the single wing to the "T". Jason Sawyer, Picher, is also working at the guard position.

Letterman Sonny Moore, Wotanka, has been straddling the ball with Charles Nordbeck, Picher, and Wayne Deacon, Grove, making it a three-way battle for the starting spot at center.

Bough Bill Cook, Seneca, Mo., and tough Joe Hawkins, Commerce, both lettermen, are holding down the tackle slots, giving the "T" line some savvy. Fighting hard along with these two are Bill Young, Sapulpa and Charles Anthony, who hail from Blackfoot.

On the wings we find Bill Shadgor, Nowellville, Ark., and Andy Mangrove, Okmulgee. These two hard charging vets are keeping some stiff competition from Kent Payne, Wotanka and Charles H. Deavenport.

In order to make the most of his squad, David Sippy has been shifted from end to fullback. This is Sippy's old high school
