

# Norse Stars Are Set For Football Season

The Norse Stars gave their first performance Thursday night at the NEO-Bacone football game. Thirty-two of the regular forty-eight girls marched at the head of the parade.

The brilliant blue and gold of the organization is seen from time to time around the campus, but even more in the blue and white worn to practice every day.

The group got under way Sept. 7, and has marched at least two hours a day every week day since.

The regular class practice period is 2 p. m. each afternoon, but the girls have been required and have agreed to practice each evening, usually at 8 or 7 p. m.

The director is Betty Ball, and photographer is Virginia Lee Wilson, both excellent. Thanks go to those for having the Norse Stars maintain their high standards.

Out of the sixty-four girls who enrolled in Norse Stars forty-eight were accepted. "This year we have the best looking girls and the best looking prospects ever," reported Miss Ball.

They will appear before each of the home games to make up the Norse team on the regular schedule. The Norse Stars will also appear at the home games of the Norse Stars.

It has been requested that the student body please leave the area vacant.

The purpose of the Norse Stars is to boost morale and spirit for the student body and football team. In this capacity they also are a pep club within themselves.

The Norse Stars since their formation four years ago in 1941, have performed in Kansas, Missouri, Oklahoma, Texas and California.

The Norse Stars will perform at six home games, and two out of town games, Williston and Cannonville.

# We Need You! NEO Band Cry Goes out for Players

The NEO college band is looking for more players. Players on all instruments are needed, but particularly players on reed and percussion instruments.

"We should have a larger organization than last year and also a better sounding band than last year," Robert Swannack, director said.

There is no charge for using school-owned instruments. Credit is given for those who desire credit. There are some members of the band that are not asking for credit.

There are two trips definitely planned. One is to Williston and the other is to Lawton when we play Carmen.

Swannack wants to remind the students about the value gained by participating in musical groups. "It means a lot and for one to play an instrument well for a number of years through high school, and then upon graduation to get the instrument away and not take any interest in playing in a college group when the opportunity is available," the director said.

FIRST GIANT PEP RALLY—Shown above is President Carter speaking over the mike, urging a bit of good, enthusiastic yelling, as a prelude to the Bureau-Norse game last Thursday night. Pop put off. The Norse was 21-0. Notice pep club and cheer leaders with the crowd, mostly in the 20's.

Leaving from the gym garden in front of the stage the students snaked down town for another big pep rally on main street.

YOGI THINKS ABOUT SOMETHING. NEW YORK—Yogi Berra was meaning about his hitting in the Yankee dressing room.

"He had been felt right in my hands all season. Only one day it felt good," the squat catcher wailed.

"Maybe it's all in the mind," a writer suggested.

"Naw, I got nobin' in my mind," Berra said. Then he jumped up. "Hey, don't write it that way!"
