New Business

- Human resources
 - First round of paychecks had many errors, some were short by >\$1,000
 - HR Generalist / Payroll Coordinator position posted
 - Want faculty representation on the committee
- School calendar
 - MLK? – All other campuses in the OSU system take it off
 - Alisen will discuss with Dr. Hale
- Transcript Requests
 - Admissions office does not seem to be holding transcripts for degree posting
 - Alisen will take to Dr. Hale
- Reading prerequisites and reporting
 - Students are sometimes enrolled in history and other reading-intensive classes who have failed reading – want to prevent this
 - Can add the prerequisite, but that doesn't address the entire problem
 - Carla Murphy says that about half of the students in reading test out by midterm and she sends out a list – can we get a copy of this for second semester enrollment?
 - Steve Dixon is trying to develop a student retention program – presenting to Dr. Fahnestock, Dustin Grover, and Dept Chairs
- Parking Tickets
 - Writing tickets to faculty on Sunday? Really?
- Faculty Lounge TV
 - DirecTV tagged to recruitment's bill. They're canceling. Consensus on the senate is that we don't really need it here.
- Centennial
- Mission
 - Looking at a small number of degree programs to offer 4-year degrees
 - Alisen is on the committee, but may be seeking input from other faculty members
