DEDICATION

MRS. GLADYS COPEN

This edition of the VIKING is affectionately dedicated to a wonderful teacher, Mrs. Gladys Y. Copen. For 21 years Mrs. Copen has proven to be one of the most loved and respected teachers on this campus. She comes by teaching naturally, being the daughter of a life-long college professor. One of the splendid buildings at Pittsburg State College is named in honor of her father who served as a professor there for many years.

Mrs. Copen has been the head of the Business Education Department during all these years, and the Business Department, with more than 600 students enrolled, is at the present the largest department on the campus.

Mrs. Copen was chosen Teacher of the Year at Northeastern Oklahoma A&M last year.

Accounting students frequently seek help from Mrs. Copen.

Mrs. Copen counsels with Ava Welsh, center, and Aldene Dennis concerning manpower student enrollment.

Supervision of efficient typing classes has been one of the many duties of Mrs. Copen as a business instructor.

NEO A&M College Archive Collection

The Viking – the NEO A&M College Yearbook

Digital copies of The Viking, Northeastern Oklahoma A&M College's annual yearbook, are available in .pdf format on the NEO website for non-commercial purposes only. Scans were created using the best available editions; where stains, color-fading, and contributed marks (usually signatures) were visible on the original they also appear in the digital copy. The edge of some pages in oversized editions may be partially lost due to width limitations on the scanning bed. NEO yearbook editions that do not appear on the website are not part of the collection at present. If you would like to donate a yearbook, please contact the NEO Library.
