DEDICATION

MR. JOE ABLES

The 1968 VIKING is dedicated to Mr. Joe Ables, Head of the Vocational-Technical Division at Northeastern Oklahoma A&M College. Mr. Ables came to the college in 1945, and since that time has developed one of the outstanding Vocational-Technical Divisions to be found in any junior college in the United States.

During two years of this time, Mr. Ables was drafted and served as State Director of Vocational-Technical Education, where he developed many excellent programs in the colleges throughout Oklahoma.

Northeastern A&M has gained national recognition for its unusually splendid vocational-technical offerings, and much of the credit for this can be attributed to the dynamic, efficient leadership and the constant hard work of Mr. Ables. *

ALMA LOWE (left), student secretary, works with Mr. Ables by taking dictation for correspondence with other colleges.

DEDICATION

WORKING with other programs is one of the responsibilities of Mr. Ables. Here he works with Mrs. Bill Hill, an instructor in the legal-medical secretary program, a federal manpower program.

MR. ABLES works with a class in Math 165.

"DEADWOOD DICK"

... a mellerdramer

CRACKING THE WHIP, David Froman, director, seems to have control over the situation.

A RARE MOMENT finds Bill Hickok (Russell Latham), one of the heroes, with the upper hand over villain (Dan Kruithof) and villainess (Lucinda Malocsay). Hickok says, "How do you want it sliced, you villain?"

THE SENTIMENTS of the whole motley crew are expressed by the sheriff who snarls, "Horsenappin', that's hanging business here in Deadwood Gulch."

EVEN ROGUES have sentimental moments. Stealing a kiss from sweet Kathy Pryor is larcenous Dave Baker.

WORKING on costumes is Kris Mansell (left), and grateful for her help is Kathy O'Connell, who plays Teetotal Tessie in the play.

NEO A&M College Archive Collection

The Viking – the NEO A&M College Yearbook

Digital copies of The Viking, Northeastern Oklahoma A&M College's annual yearbook, are available in .pdf format on the NEO website for non-commercial purposes only. Scans were created using the best available editions; where stains, color-fading, and contributed marks (usually signatures) were visible on the original they also appear in the digital copy. The edge of some pages in oversized editions may be partially lost due to width limitations on the scanning bed. NEO yearbook editions that do not appear on the website are not part of the collection at present. If you would like to donate a yearbook, please contact the NEO Library.
