## NORSEMAN SONG

By Theo. C. Van Etten

Words by: S. A. "Red" Robertson

Go Gold-en Norse-men,  
Break right through that line —  
With our Col-ors fly-ing  
we will cheer you all the time (yell) N.E.O.  
Go Gold-en Norse-men, Fight for Vic-tor-y —  
Spread far the fame of our fair name —  
Gold-en Norse-men win that game — (Whistle — —  
—) (yell) GO GO N.E.O.!  
(Whistle — — (yell) GO GO N.E.O.!  
Hit 'em hard Hit 'em low  
Gold-en Norse-men GO!

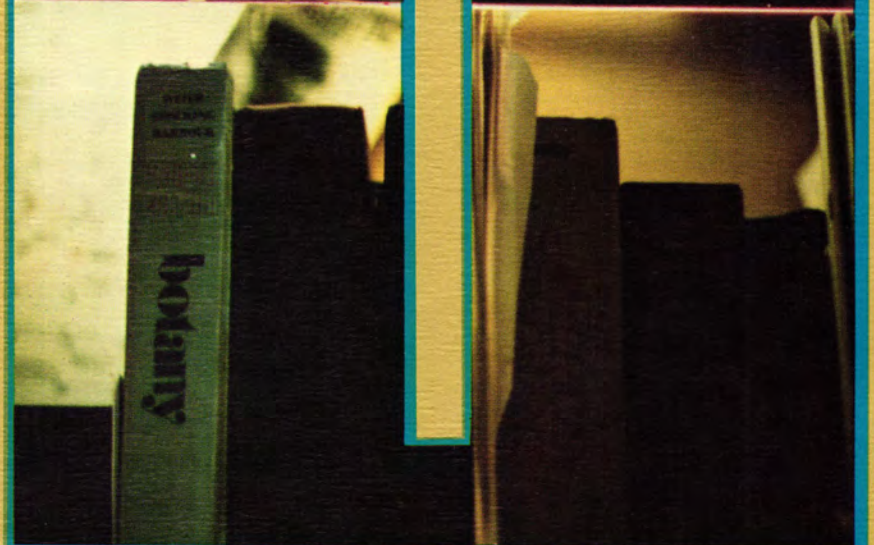

## ALMA-MATER SONG

Author Unknown

Dear Northeastern Al-ma-ma-ter —  
We will ever sing to you,  
Praises of the best and no-blest —  
Al-ma-ma-ter true.

Foster Mother, Friend so loyal —  
Honor, Love, and Faith we bring,  
With thy Spirit ev-er near us —  
This our song shall ring.

Chorus: Hail! All hail to thee, Northeastern  
Al-ma-ma-ter true.  
We will ever sing our praises  
To the Gold and Blue.

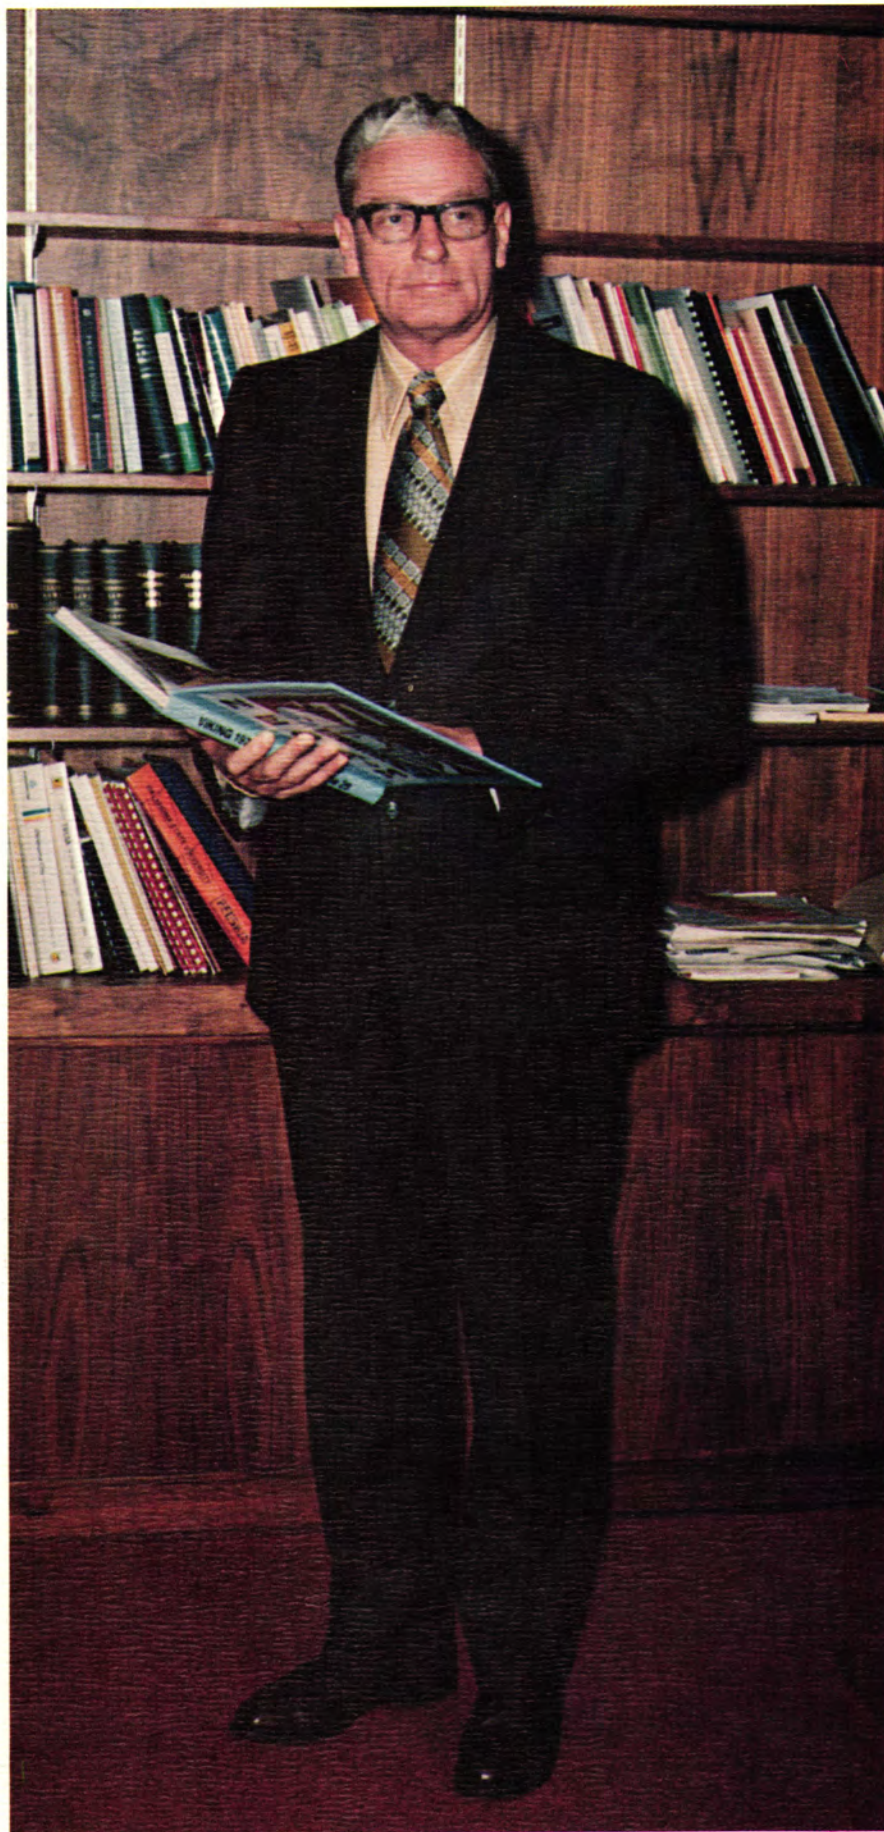

# OUR PRESIDENT

They who educate children well,  
are more to be honoured  
Than they who produce them;  
For these only gave them life,  
Those the art of living well.

Aristotle

Dr. Danten D. Creech  
President

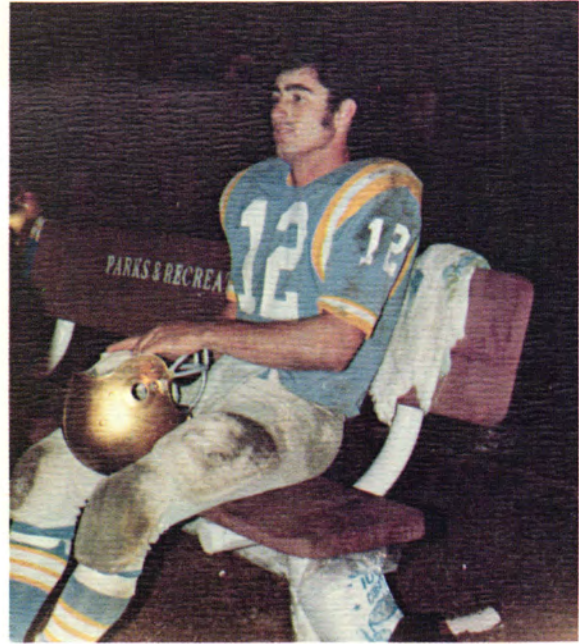

Arriving on the threshold of a dream  
We meet a new life and the ingredients thereof.  
Searching from dark to light,  
Light to dark in search of ourselves  
Looking forward to our future  
And relying upon past memories to aid us.  
Stepping forward when others are still sitting down,  
We attain the goals of that inner self no one else knows.  
Wanting to be what our parents wish us to be  
    And our friends hope us to be  
But more important—what we ourselves would be  
    satisfied to be.  
Wondering where we have learned to compete with  
    a friend  
As our hearts and eyes fill with the tears of stark  
    reality.  
Involving ourselves in the shouts of victory and  
    the tears of defeat  
As our decisions to win or lose find their glory.  
Understanding each person we come in contact with  
Rather than the group they represent.  
Imprinting indelible memories upon our minds—  
    Not of the formal, but rather the informal  
    education we received.  
Learning the rules of the game called Life  
When we look around us and see others looking, too.  
Thinking how different all would be  
If we had never experienced that love affair  
    Or the sorrow of that close friend  
    Or the happiness found in the giving of  
    ourselves.  
Recording the years gone past with few regrets  
As we turn another page in the books of our lives.  
Hoping to remember the good things and forget  
    the bad—  
We may look back on life someday and say  
    “It was good to be alive.”  
We cherish the memories we have made while  
Bridging the gap between our years. . .  
And we’ll carry this treasure till the sunset of  
    our years.

When the soft monotones of the lecturing  
teacher disintegrate into the cold  
atmosphere  
And your eyes fall upon a bare spot on the  
floor  
And your mind has started a journey of a  
thousand miles —  
You recall old memories that never quite  
received recognition in your diary,  
but remembered as being far more  
important just the same.

When the world seems to stop for a moment to  
let you catch your breath  
And you inhale a lung full and then set  
your best foot forward to start again,  
Your spirit climbs hidden mountains.  
Your heart beats in time with the drummer only  
you yourself can hear.  
Let your spirit climb. But don't let the  
cadence of your drummer fuse into that  
of someone else's.

# DR. D. D. CREECH      PRESIDENT

**Dr. D. D. Creech**

The school year 1971-72 marks Dr. Creech's second year as President of Northeastern Oklahoma A&M Junior College. Prior to coming to NEO, Dr. Creech served two years as State Superintendent of Public Instruction. He attended John Brown University and Southwestern State College. He attained his M.S. degree from Oklahoma State University in 1949 and his Doctorate degree in Education in 1966 at Oklahoma University. Dr. Creech served as State Chairman of the Oklahoma Commission on Educational Administration and as President of the Oklahoma Association of School Administrations. He is a member of the professional organization Phi Delta Kappa and is listed in Who's Who in America.

# ACADEMIC DEAN

Dr. Cecil Ferree

Dean Cecil Ferree depicts the atmosphere of a scholar, both as a learned, erudite person and a student. His grasp of material is immediate. No second reading nor further digest is necessary. His ability to penetrate to the core of what is important and to clarify a maze of suggestions is one of his greatest assets.

As a student, Dean Ferree enjoys books and enjoys study. After he earned his doctorate from Tulsa University, he studied for an additional year in Michigan in order to become proficient in the junior college and returned to share his knowledge with Northeastern A & M.

His philosophy portrays the college experience as one of enrichment where the responsibility is to educate, not merely prepare for a degree.

Dean Ferree's keen intelligence is accompanied by a great interest in and compassion for students. Of his many duties, he enjoys teaching most. Nothing excites him more than to watch a young mind, curious and questioning, begin to unfold and then run the gamut in the process of learning.

As he retires, Northeastern A & M wants him to know that his love, devotion, and loyalty are treasured and that his value to this college is deeply appreciated. His role as a dynamic and influential teacher and an able, competent, and effective Dean will continue for years to come.

John Turner, President of Student Senate, presents a gift to Dr. Ferree at his retirement banquet.

# WOMENS INTRAMURAL SOFTBALL

**SOFTBALL CHAMPIONS:** standing: Shelly Schuelein, Karen Crockett, Nancy Hail. kneeling: Lee Ann Brite, Carolyn Faulkner, Belinda Boyd. Not pictured were Kriss Sutfon and Mary Baldrige.

Women held intramural games not only in softball but in basketball and volleyball as well. These games were designed to give every girl student an opportunity to play in the sport she desired whether enrolled in a physical education class or not. The games were held during free time and many teams participated.

**RUNNER-UP TEAM:** standing: Brenda Buxton, Brenda Wiseley, Buckette Duffield, Carla Adams. kneeling: Barbara Bryson, Sandra Downing, Beth Thompson, Glenda Gamble.

# MEN'S INTRAMURALS

**FOOTBALL CHAMPIONS:** standing: Terry Howard, Mark Perry, Harley Justus, Ollie Penny, Mitch Woolsey, Dean McKee. kneeling: Tuck Wilkinson, Mike Corbett, Donnie Newcomb, Randy Payne.

Preparing for another attack—or is that tackle—the intramural football boys huddle in knee deep mud.

On and off campus men were given the opportunity to participate in such intramurals as football, basketball, softball, and chess. Like all intramural programs on campus, these were designed to give every student the chance to be more creative during their spare time. It's a known fact that a student feels better after indulging in some kind of physical activity than if he became involved in none.

**Susan Elliott  
Miami, Oklahoma**

We stuffed napkins all afternoon, half the night, and through our dreams . . .

But we felt good when the last can of spray paint was thrown away and the completed project was ready to roll out of its hide-away like a lazy bear strolling from his cave on a summer day . . .

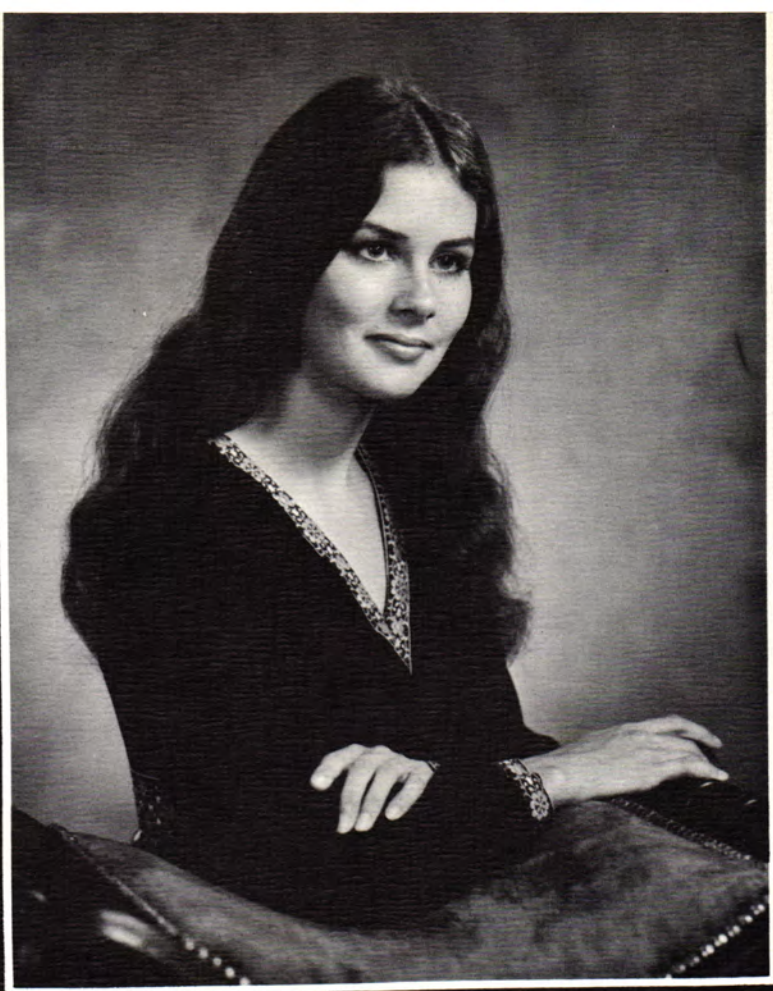

But it happened to be cold on  
our day and it rained  
But we still smiled and the  
parade went on.

1971 PINKIE EDITORS  
Miss Brenda Buxton and Miss Sheryl Ramsey

Editors, Sheryl Ramsey and Brenda Buxton, hand out pictures to Cheryl Harper and Barbara Faulkner as Peggy Austin and Marilyn Soukup stand by.

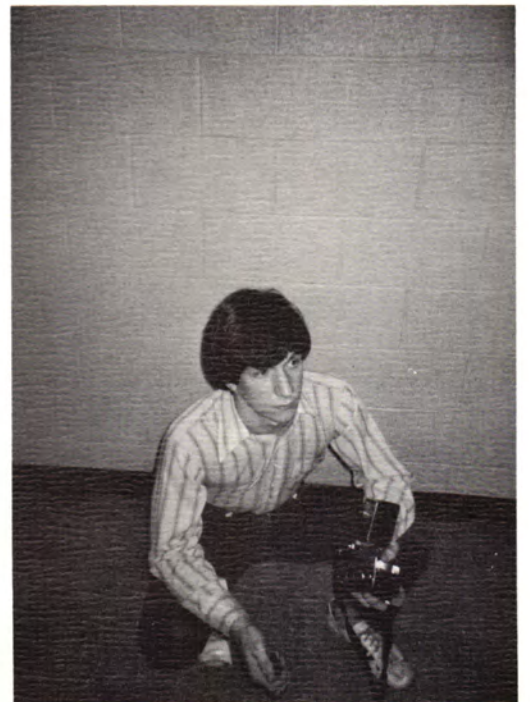

Sheryl Ramsey does some research for new ideas from old book. Alternating old ideas and using imagination help create the 19 VIKING.

Marilyn Soukup and Peggy Austin help on the yearbook whenever needed. The VIKING does not have a regular staff other than editors and photographers and those who contribute their spare time to the cause.

Reba Wood looks through some files to see what clubs have turned in their material.

Photographer, Rex Vanderford, poses for a picture.

# STAFF

Brenda Buxton typed copies to be sent to the publisher for the yearbook.

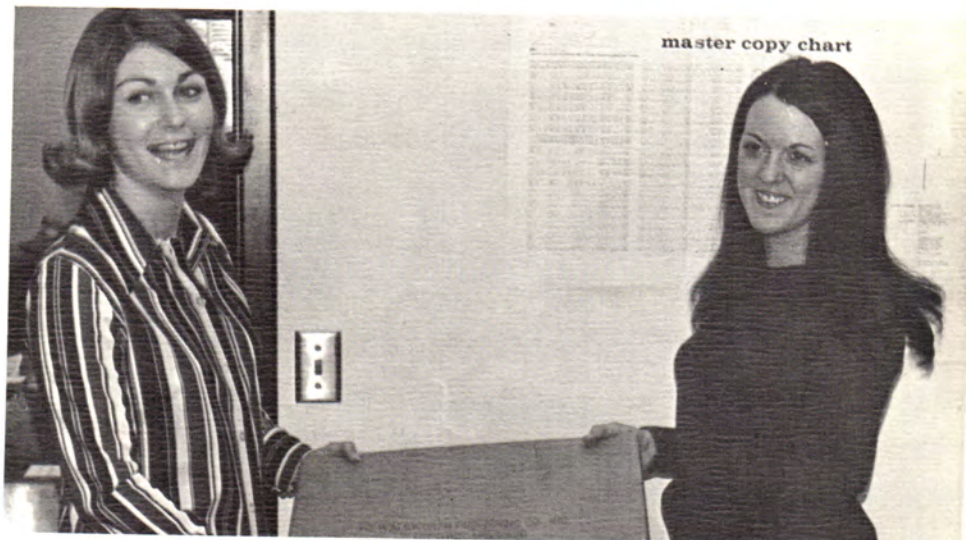

Beverly Hinton submitted many of the color pictures used in this year's VIKING.

Photographer, Donal Baker, checks camera before taking another series of pictures.

Lydia Whitely contributed some of her spare time in drawing master copies and stamping pictures.

The editors can't help but feel that a part of them is being sent in that last shipment of the 1972 VIKING.

The more advanced judging participants concentrate on the problems in the selection of the market and breeding classes of animals. This course includes ranch visits and observation of management practices.

# DRAMA PRODUCTIONS

# NORSE BAND

OFFICERS: Mark Swanson, Student Senate Representative; Mark Caldwell, Senate Alternate; Charles Tarver, President; Stan Hall, Vice President; Carolyn Casey, Secretary.

The Golden Norse Band provides a wide variety of entertainment during half time. Fire batons, moving diamonds, spinning circles, and a score of other precision drills come alive at each home game--rain or shine. Here, Chico McConnell performs to "Mr. Bo-Jangles".

Band Director, Robert "Doc" Swanson, looks over mail while Dixie Keith talks to the head of the music department, Kenneth Richards.

The Golden Norse Band proudly represents NEO everywhere they go. Each year they follow the football players to one out-of-town game and perform during each home game. Many long and tedious hours are spent by dedicated band members in what amounts to approximately twelve minutes performance time. The Norse Band not only plays for football games but for basketball games, parades, and musical productions. Many talented groups form together out of the band as a whole and appear as stage bands or, as with one group, with the Meister-singers.

# STUDENT SENATE

The Student Senate is designed to create interests and activities for students on campus; to improve the educational facilities in all departments; to improve the living conditions of students on campus; and touch on other phrases of interests to help make living, working, and studying on the campus of NEO more pleasant and enjoyable.

FIRST SEMESTER OFFICERS: Larry Kichler, representative at large; Pauline Hale, representative at large; John Turner, President; Mary Griswold, Secretary; Kent Ryun, Vice President.

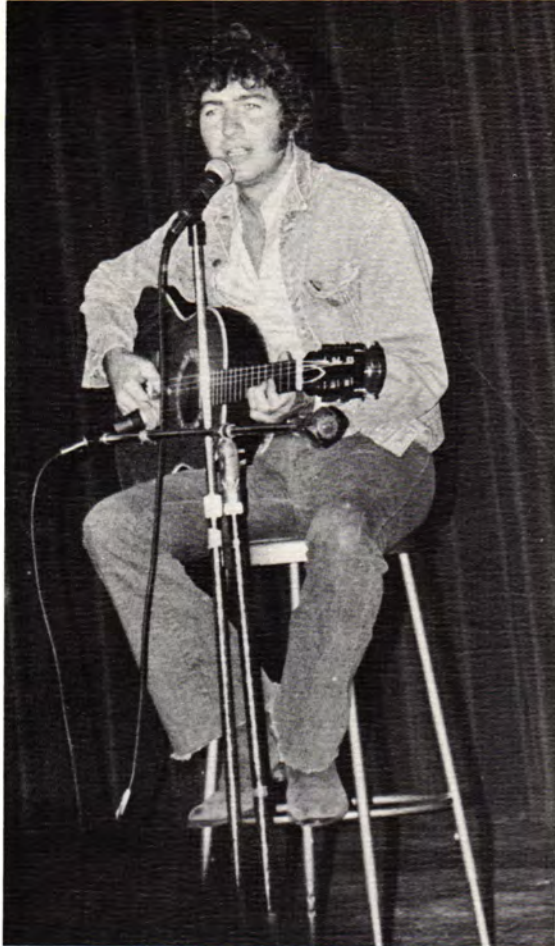

The first semester Student Senate members seen that many helpful motions were passed and carried through. Noon meal tickets for commuters, the new rules for camping in girl dorms, and a first presentation of a talent show for and by NEO students with top money prizes topped the list. Items left unfinished to be faced by the second semester group concerned open housing, the extension of girl's hours, the cafeteria dress code, and the paving of parking lot #1. This year's Student Senate sponsored the first get acquainted dance, the Western-Fun Day, and the Children's Christmas Party (pictured on opposite page.) Also, the presentation of a Mack Davis concert highlighted the year. The Dean of Instruction, the President, and many other campus administrators have spoken before the Senate. Each year the Senate is invited to the home of Dr. Creech for a short meeting and afterward a chance to get acquainted over cookies and drinks.

SECOND SEMESTER OFFICERS: standing: Larry Kichler, representative at large; Butch Colvin, President; Kent Ryun, representative at large. seated: Nina Cox, Secretary; Mary Griswold, Vice-President.

David Wellman and Becky Lowe with their "adopted" child at the 1971-72 annual Christmas Party.

The Student Senate sponsored "Oklahoma Heritage Day" and as a way of "roughing it" everyone retreated to Tar Creek for bar-b-q chicken and the afternoon was filled with games and laughter.

# NEO A&M College Archive Collection

## The Viking – the NEO A&M College Yearbook

Digital copies of The Viking, Northeastern Oklahoma A&M College's annual yearbook, are available in .pdf format on the NEO website for non-commercial purposes only. Scans were created using the best available editions; where stains, color-fading, and contributed marks (usually signatures) were visible on the original they also appear in the digital copy. The edge of some pages in oversized editions may be partially lost due to width limitations on the scanning bed. NEO yearbook editions that do not appear on the website are not part of the collection at present. If you would like to donate a yearbook, please contact the NEO Library.
