

Student Complaints and Grievances

NEO A&M College is committed to providing and maintaining a fair and respectful environment where people are able to study and learn. NEO Students may need to pursue concerns or issues involving academic or nonacademic aspects of student life. NEO adopted the following procedures to provide students with a mechanism to file a formal complaint and/or grievance. Students should use the Student complaint procedure for filing a complaint not covered in other specific grievance or complaint procedures. Please refer to the NEO Student Handbook before completing the complaint form. If you are uncertain of how to file a grievance or complaint, or which process is appropriate for the issue, contact the Office of Student Affairs, located in the Student Union; 918-540-6060 or Amy Ishmael, Vice President for Student Affairs at aishmael@neo.edu.

Informal Complaint Process

The first step in resolving a difference or dispute between a student and a staff member or faculty member is for the student to meet with the NEO employee to seek a resolution. If a resolution is not achieved or if the student chooses to not to engage in a meeting with the staff member or faculty member, the student should contact the employee's supervisor to discuss the complaint and seek a resolution.

Formal Complaint Process

If the complaint is not resolved at the informal level, the student may file a formal complaint by completing the Student Complaint Form available online at <https://neo.edu/about/campus-police-safety/student-complaint-forms/> . A paper copy of the complaint form can be requested from the Office of the Vice President for Student Affairs. Paper copies should be returned to the same office.

Once the student complaint form has been submitted, it will be reviewed by the Vice President to determine which office should investigate the complaint. The Student Complaint Form and supporting documents will be forwarded to the Vice President responsible for the persons or areas named in the complaint.

The Vice President assigned to the investigate the complaint will contact the student within five (5) business days to arrange a formal meeting to discuss the complaint. The meeting will be at a mutually agreeable time and date within normal business hours and, if possible, within 10 days of contact with the student. The Vice President may request additional information, documentation or supporting materials at or before the formal meeting with the student. If the Vice President is unable to meet at the scheduled time, the student will be notified in advance and arrangements will be made to reschedule the meeting.

If the student is unable to meet at the schedule time, the student should contact the Vice President's office prior to the meeting time to reschedule the meeting.

Once the designated Vice President has investigated the complaint, the Vice President will send the student a written decision regarding the complaint. Written communication with the student may be in the form of email, using the College's official email address, or by postal mail.
