

## Medical Lab Technology Program Licensure by State

<p style="text-align: center;"><b>State</b></p> <p>Licensure is granted by individual states. At this time, Oklahoma does not license clinical laboratory personnel. Completion of the NEO MLT does not guarantee that a graduate will meet all state licensure requirements. Students who are thinking of working in a state that has licensure for clinical laboratory personnel should contact that state's licensing board as early as possible for information on the state's requirements</p>	<p style="text-align: center;"><b>Meets Licensure Requirements for MLT</b></p>	<p style="text-align: center;"><b>Does Not Meet Licensure Requirements for MLT</b></p>	<p style="text-align: center;"><b>Has Not Been Determined to Meet Licensure Requirements for MLT</b></p>
