MCAG 1413 Intro to Ag Engineering.....				
SOIL 2124 Fundamentals of Soil.....				
SPCH 2713 Intro to Speech Communication.....				
*STAT 2023 Elementary Statistics- Bus Econ.....				
Livestock/Equine Selection Rodeo Courses.....				
Approved Electives (max 10 Hrs).....				
		The above list is a suggested course sequence only. Students may, with guidance from an academic advisor, make changes to the course sequence. Students should be aware that <b>changes to the course sequence may require more than four semesters to complete their Associate Degree.</b>	<b>KEY</b> * Prerequisite ~ Course may require admission specific program # Prerequisite or co-requisite ^Not offered every semester	
<b>General College Preparatory Requirements</b>				
NEO evaluates students for placement into their transitional or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by ACT test scores or by CPT test scores. These tests are administered in the Testing Centers at NEO College. Based upon these scores, some or all of the following courses may need to be taken prior to enrollment in the college level course. MATH 0013 Basic Math MATH 0113 Introductory Algebra MATH 0123 Intermediate Algebra MATH0125 Intermediate Algebra with Review ENGL 0123 Basic Composition CIED 0133 Improved Reading SCIENCE: A student may be required to complete MATH 0123 or higher and/or CIED 0133 before enrolling in a college-level science course.
